25% New Oak

The 2015 Retaggio melds Old World nuance with the perfect ripeness achieved on our estate vineyard. Complex aromas issue from this deep ruby wine. Black cherry and blue fruits intermingle with all spice and savory garrigue. The palate is generous and fleshy, well balanced by crisp acidity. The wine finishes long, with fine grain tannin and concentrated red fruits. Tightly structured, this wine will evolve in bottle the next 2-4 years and will drink well for 10+.
